Mrs. Carlisles
"To the greatest."
There has never been a teacher that has been loved as much as you have. There isn't a student in G.H.S. that doesn't cherish the memories of having you as a teacher. If all teachers were as smart as you I'd go to school forever. You've really helped me in deciding about certain things I will. Always remember you do the best and sweetest teacher or person I have ever met.

Keep up your great personality and I'll love you forever.

Love, I'll
Jo Dell. Miss
You.

P.S. Remember and Write me.

Mission Pays Mr. Carl

The 1969-70 Mission Staff is proud to dedicate this yearbook to a distinguished member of our faculty.

We feel honored to have such an active person in G.H.S. The student body feels he has done more for our Speech Department than anyone else could ever hope to accomplish.

It is difficult to find appropriate words in which to express our gratitude, so we say simply with the greatest sincerity, THANK YOU, Mr. Jaks, for all you've done.

Tribute to Jaks

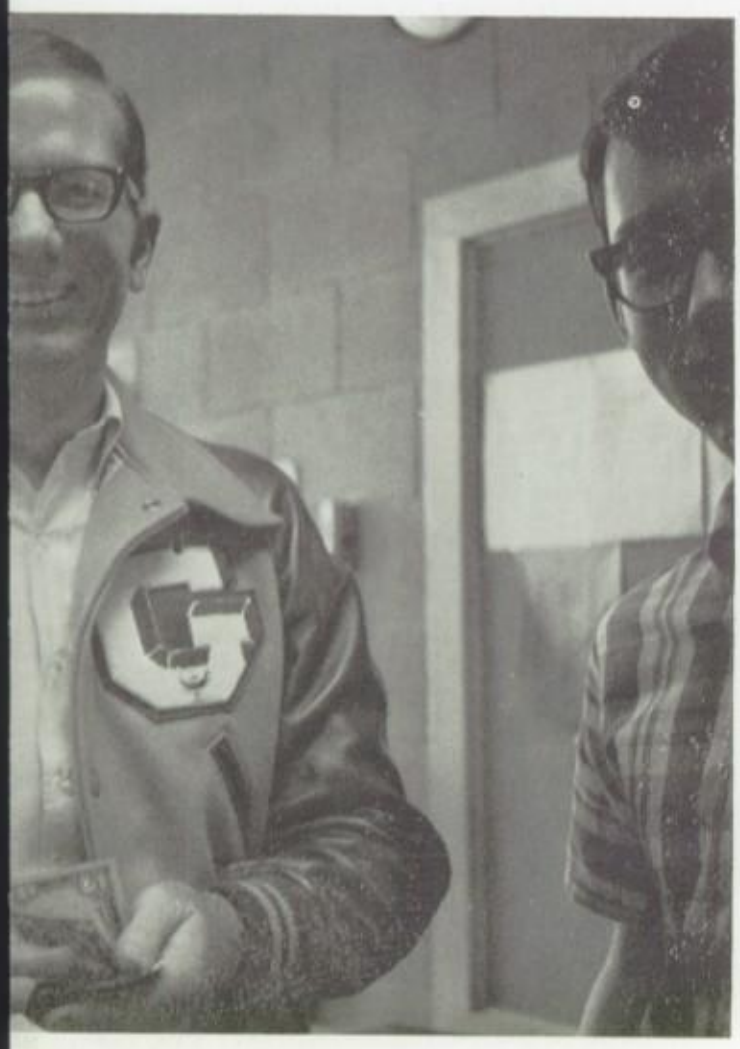
Mr. Carl Jaks, Head of the G.H.S. Speech Department, is teaching in his sixth year at Goliad High School. He is currently teaching Speech I, II, and III, and Junior English.

Mr. Jaks is a Graduate of Southwest Texas State University in San Marcos, where he received a B.S. in Speech.

During his college years, he belonged to the Alpha Psi Omega Fraternity and the College Players. In the College Players, he received the two highest awards given. These were "Excellence in All Areas in Theater," and "Excellence in Acting." During his junior and senior years in college, he was Assistant Technical Director for all plays.

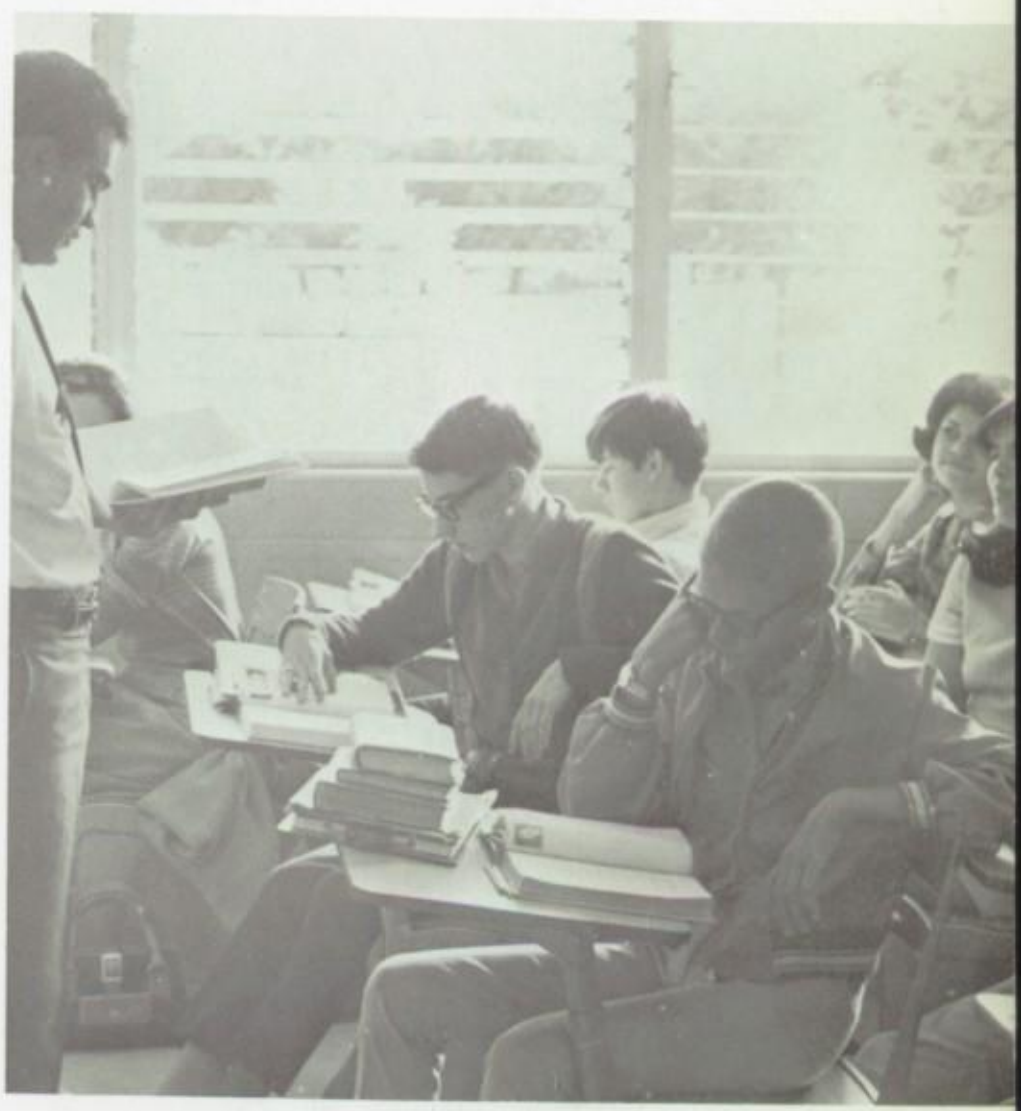
Since Mr. Jaks has been in G.H.S., he has assumed the responsibilities of directing All-School Plays and U.I.L. One-Act Plays, sponsoring the Speech Club, directing all speech and drama entries and directing the G.H.S. Speech Tournament.

He is truly an all-round person and a perfectionist in all he does. G.H.S. students, faculty, and administration will long remember Mr. Jaks as a friend, a wonderful person to work with, and an asset to our school.



In Memory of

Randy Heil



G.H.S. students, faculty, and administration will long feel the loss of one of its outstanding and talented students, Randy Heil who was killed in an automobile accident, October 5, 1969.

Randy was born September 29, 1952 to Mr. and Mrs. Ruben Heil. Services were held October 7 at Immaculate Conception Church.

Randy was a member of the junior class and was very active in school activities. He participated and belonged to the National Honor Society, Student Council, Science Club, Speech Club, and F.T.A. Randy served on the annual and school paper staff and was the school activity photographer. Photography was one of his many hobbies.

Last year Randy won the Jim and Katie Dye Award for Scholastic Achievement and was a member of the Boys' Debate team that placed first at district and 2nd at Regional.

Goliad High School pays tribute to Randy Heil. He will always be remembered as one of Goliad High School's most outstanding students.

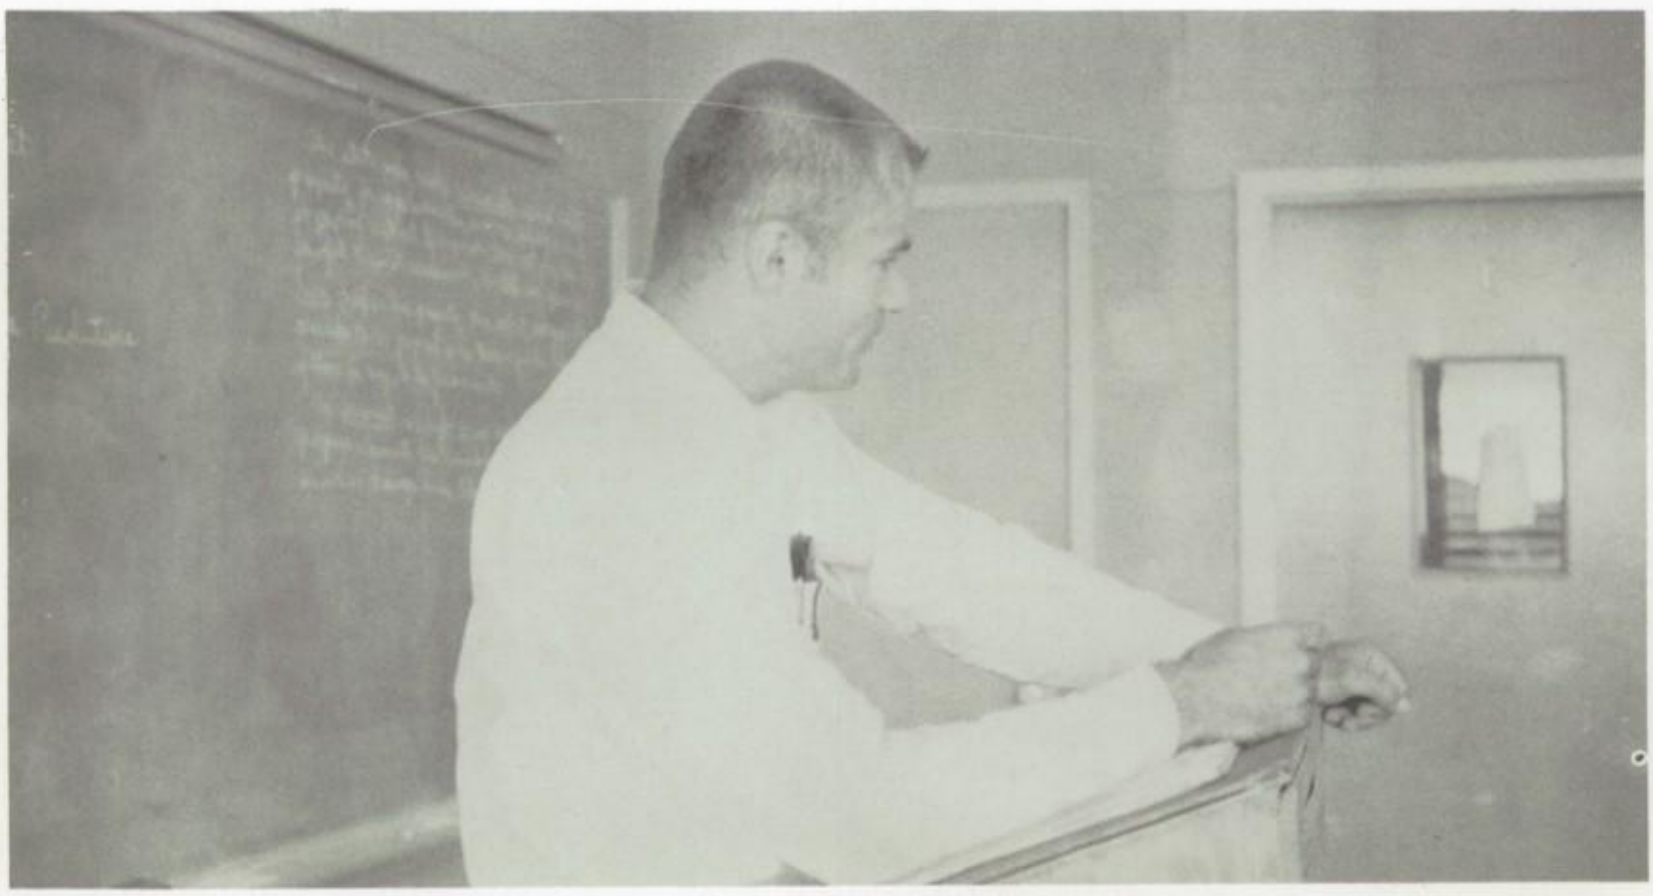
Social Studies Takes

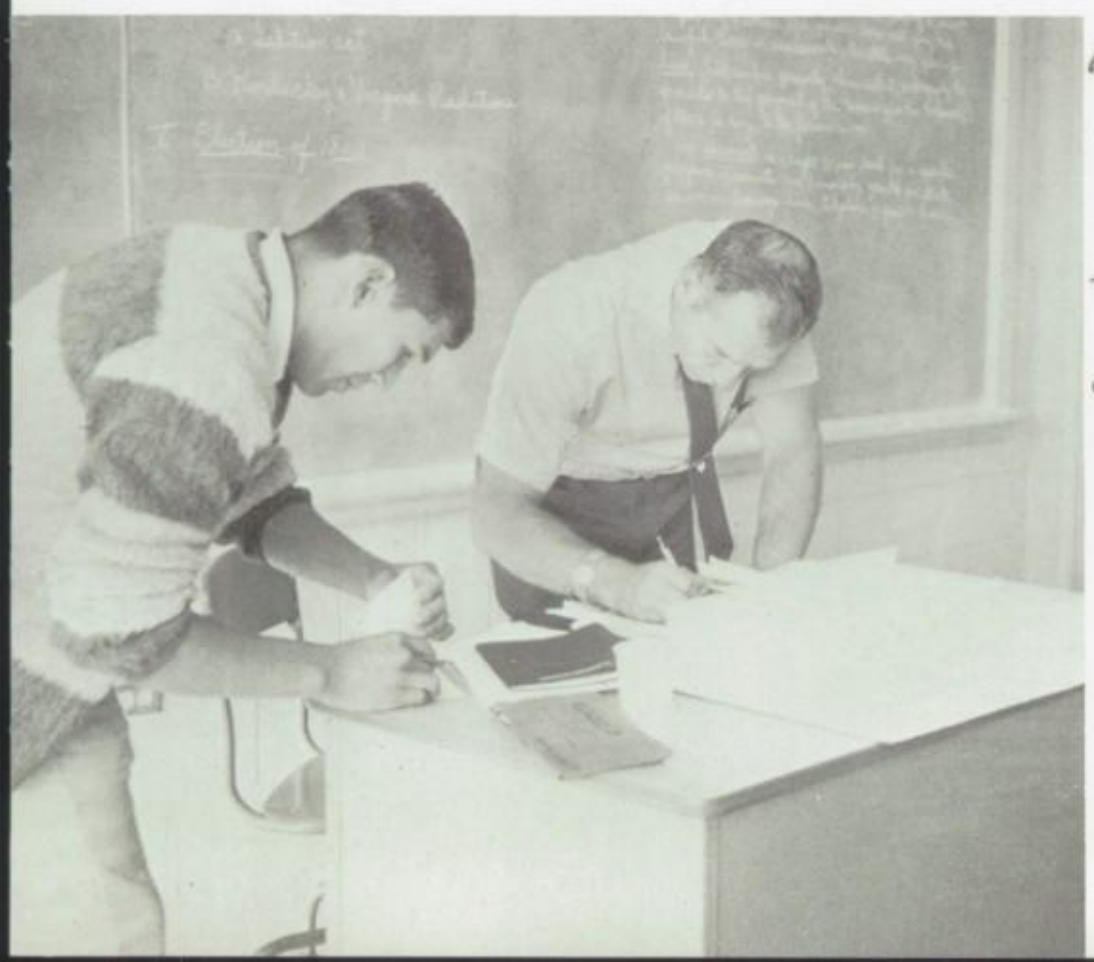
Mrs. Clarke taught World History beginning with Ancient Time and progressing to the present. Students learned how each generation borrowed ideas and inventions from the others; making our world today more advanced than ever before. Students mostly enjoyed the films which were provided.

Mr. Lindsey and Mr. Hausmann taught American History. Students made several book reviews on various topics. They learned how our country was created out of a vast wilderness into a world power.

Mr. Hausmann also taught Government. Students were taught the structure, powers, procedures and functions of our government. Each week they discussed current events. The Game Warden and Highway Patrolman lectured students and answered questions involving laws.



A Look at the World



Mrs. Carlisle,

I'll always remember all the fun and wonderful times & talks we had our sophmore year in English. You have to be one of the greatest teachers this school has ever had.

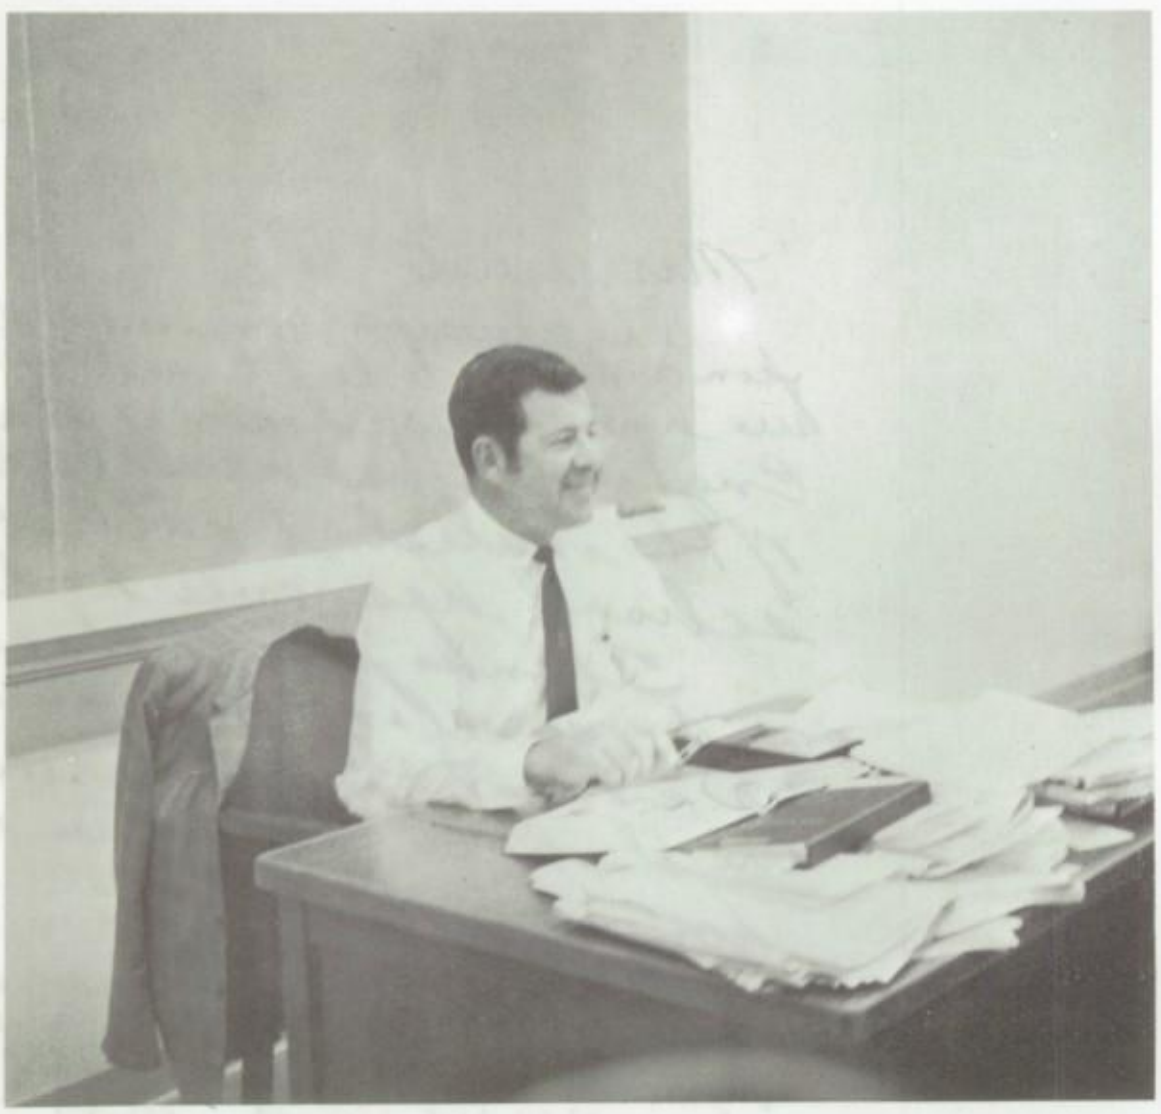
Thanks for all the advice and conseling you gave us and all the memories we'll have when we're long gone.

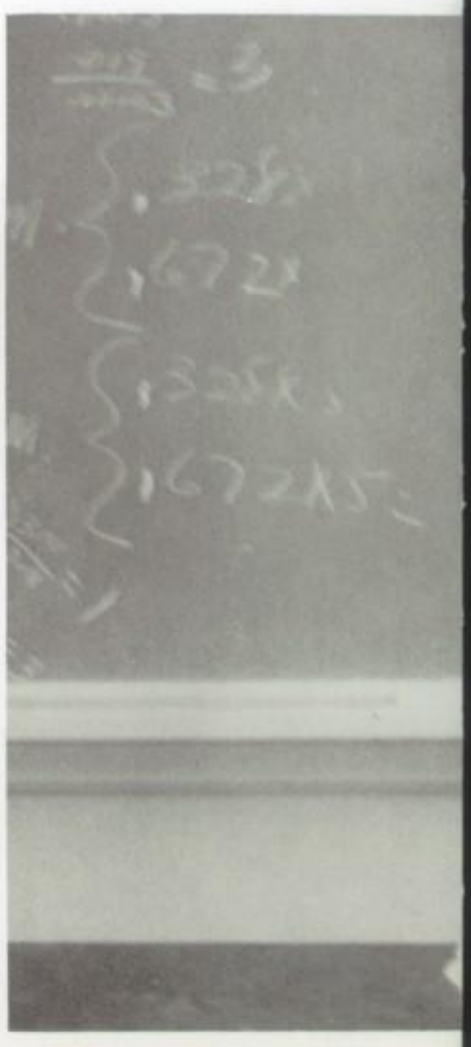
I hope your remaining years are filled with happiness and lots & lots of love to you. Love You

Carol

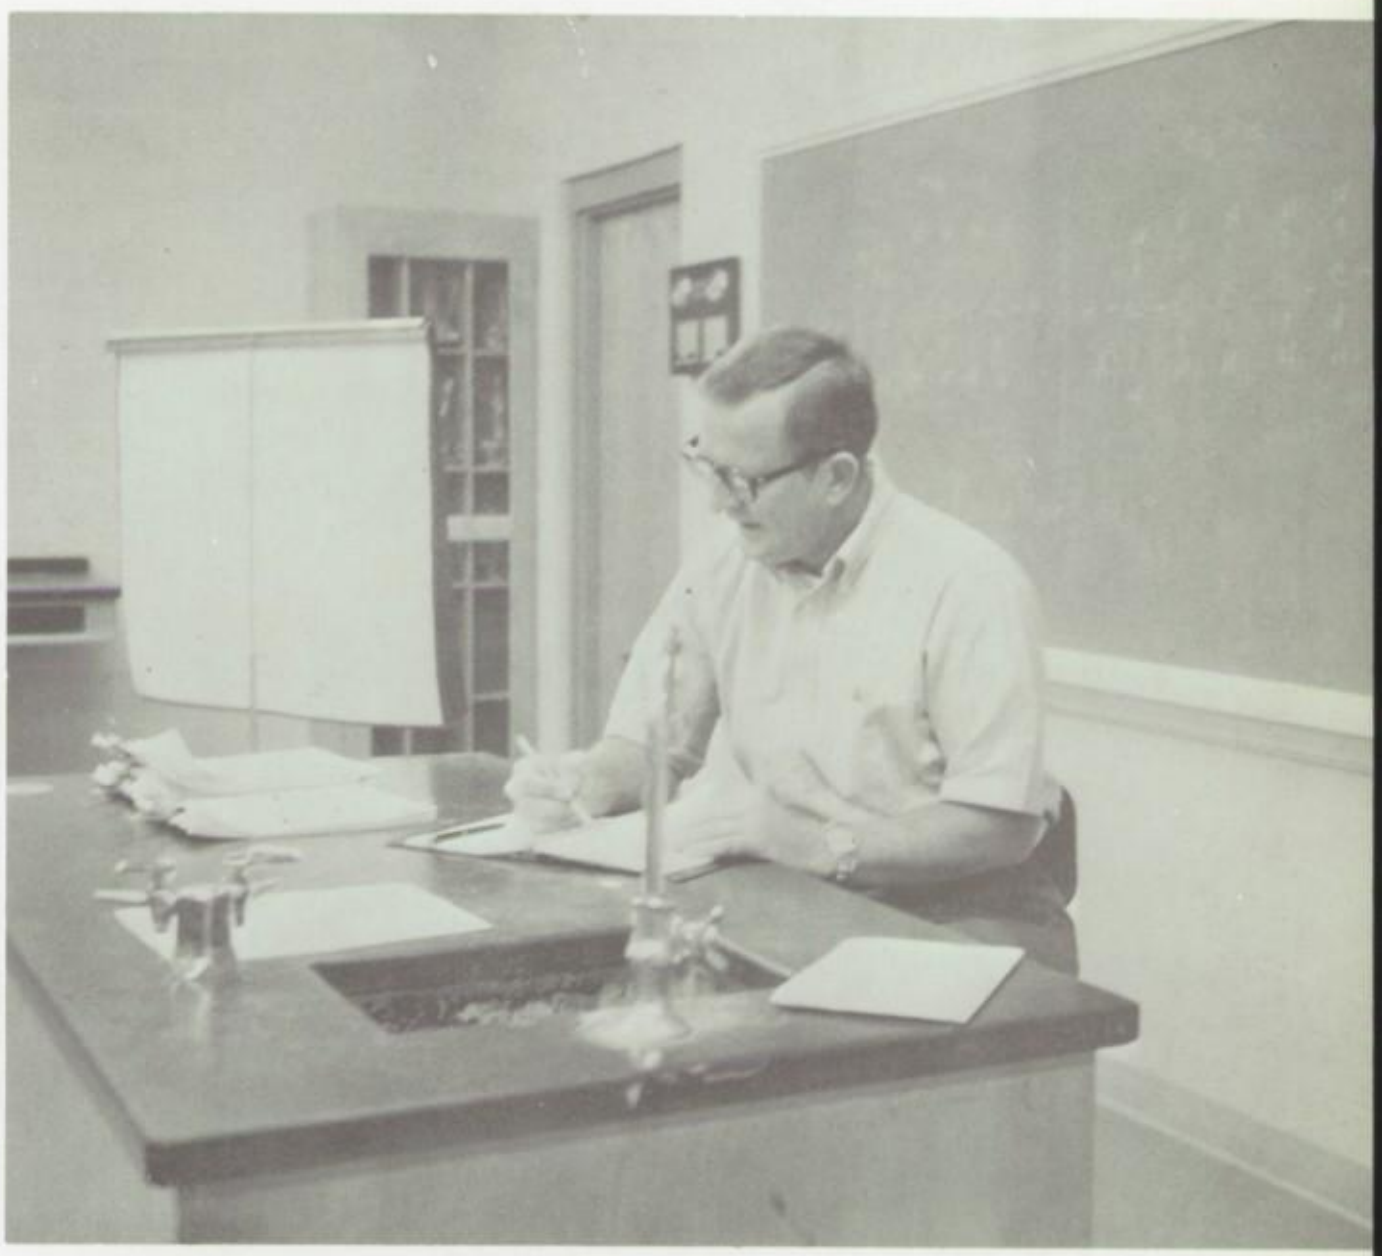
Science and Study

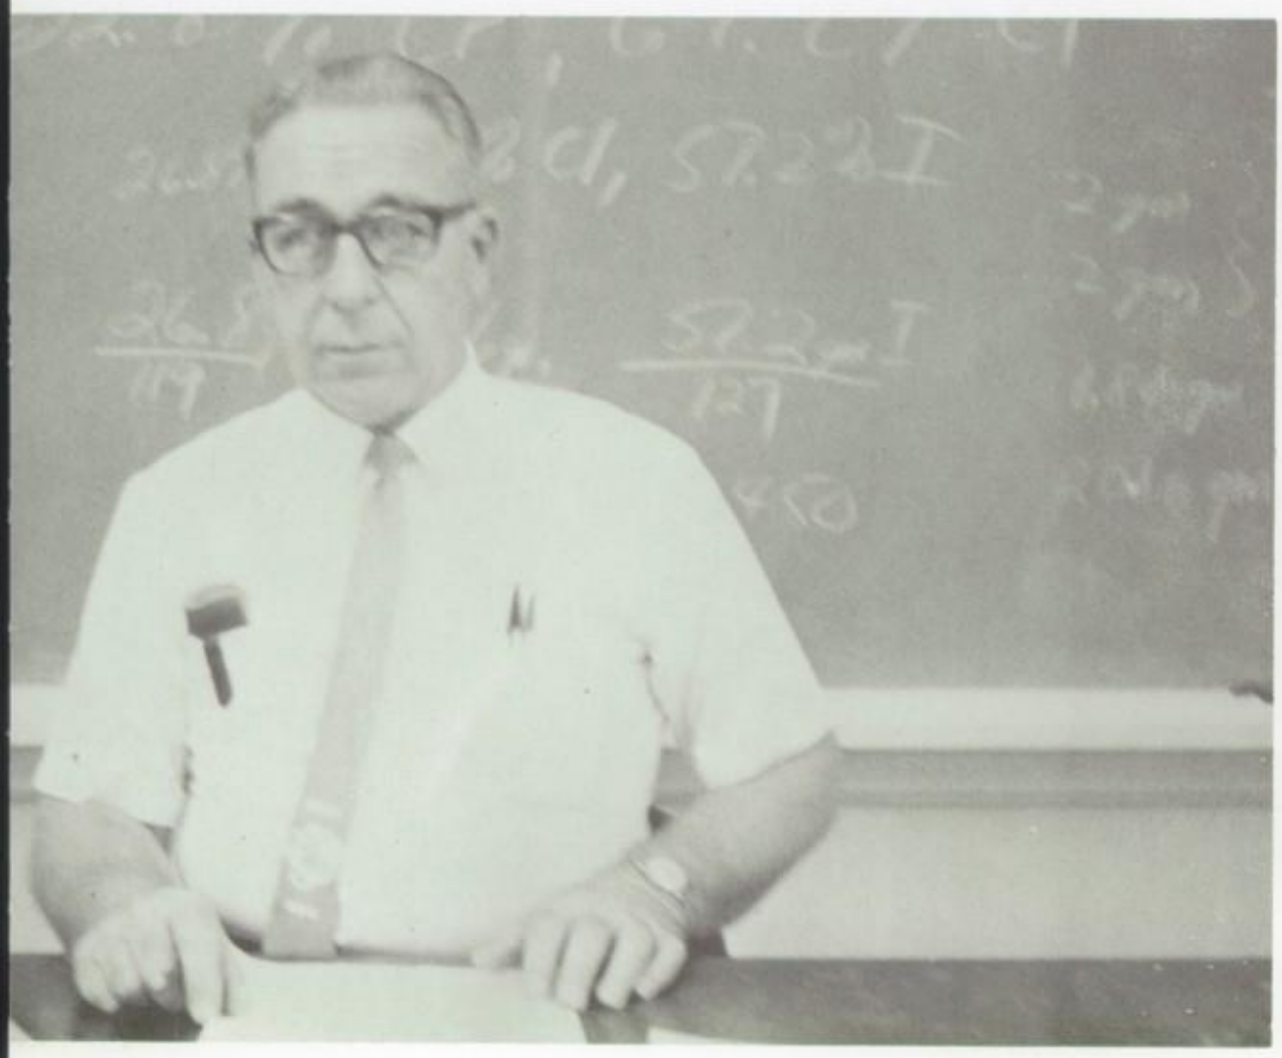
Mr. Hilbrich, Mr. Beck and Mr. Payne taught science this year at G.H.S.





Students
Laws
Elements





This year has proven quite eventful for the Science Department.

Mr. Hilbrich, as head of the department, has been interested in a lecture and experimentation system.

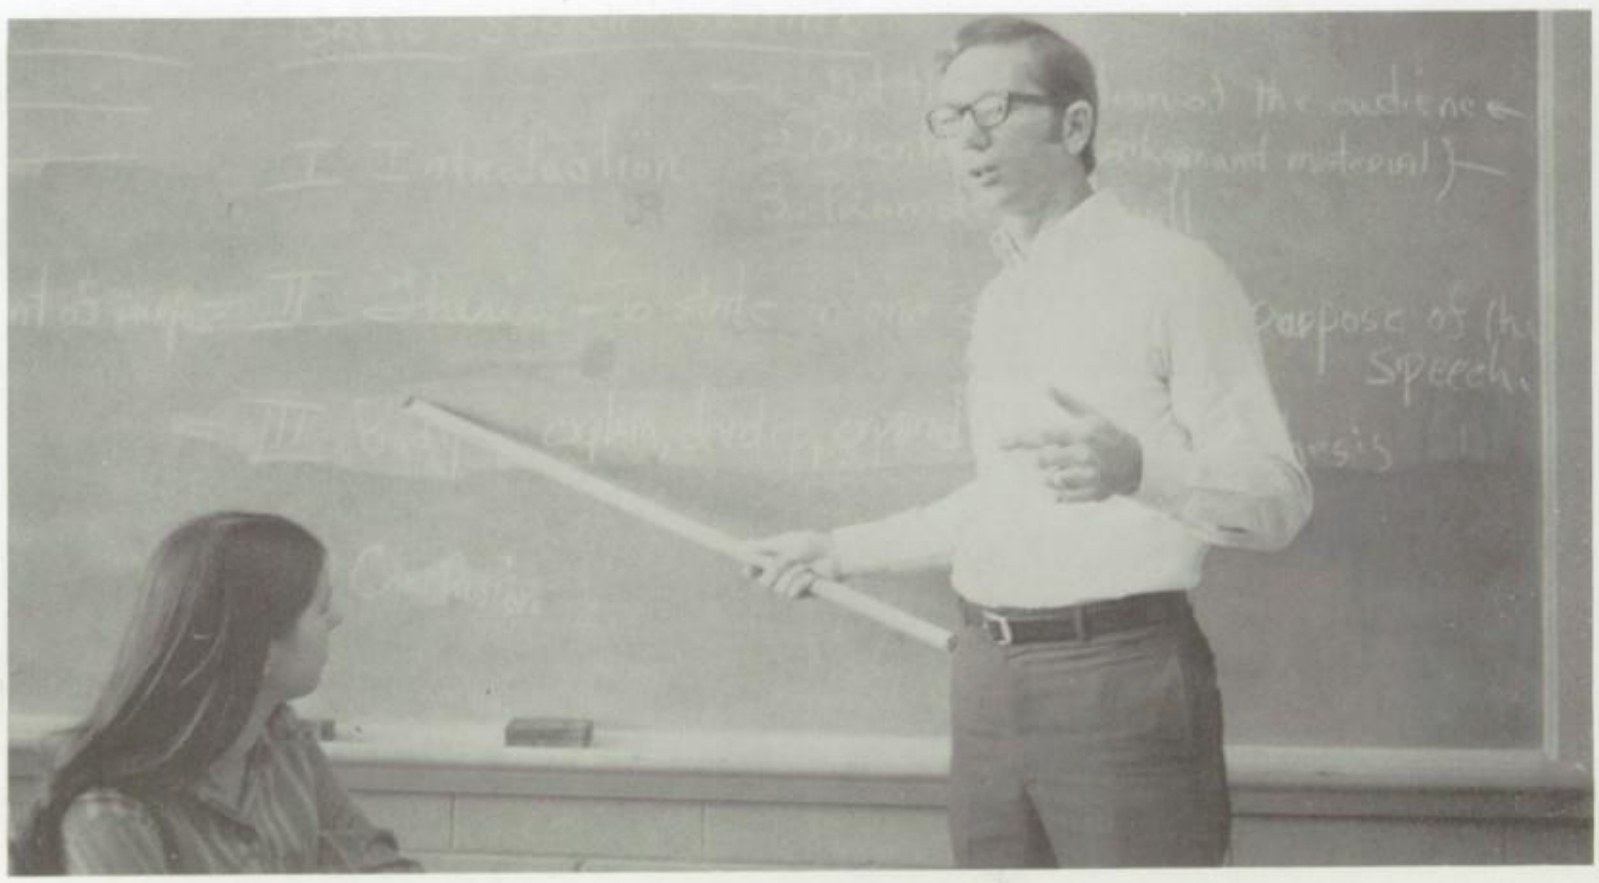
Mr. Beck's primary concern was dissecting. The students studied the world around them.

Mr. Payne, a new addition to the faculty used a very interesting schedule. He used the lecture, study guides and film strip approach.

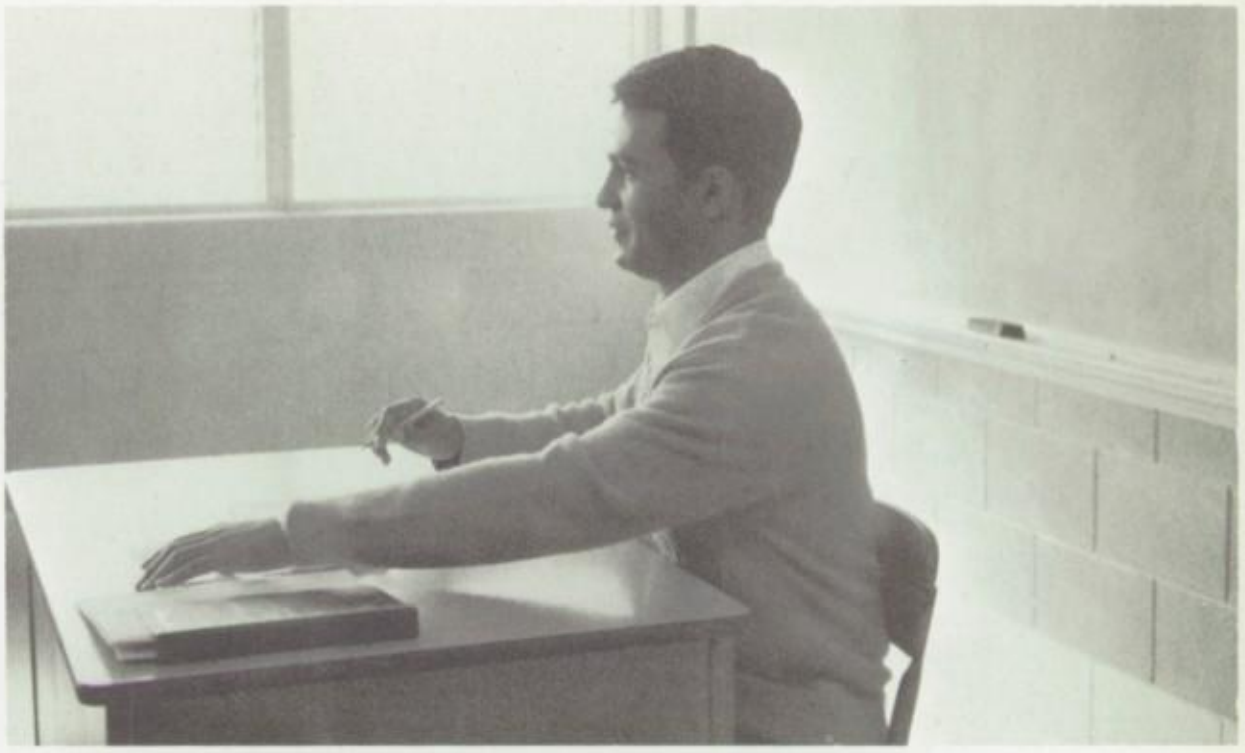
Science is necessary to progress. We are quite proud of this department.

Language G.H.S. a Modern

Mrs. Carlisle, Mrs. Wilson, Miss Corgey, Mr. Castillo, and Mr. Jaks taught Language Arts this year.



Arts Gives Touch of Culture



The Language Arts Department is composed of Mrs. Fleur Carlisle, Mr. Gilbert Castillo, Mrs. Margaret Wilson, Mr. Carl Jaks, and Miss Billie Corgey.

This past year has been very active. Students got their first taste of literary appreciaton.

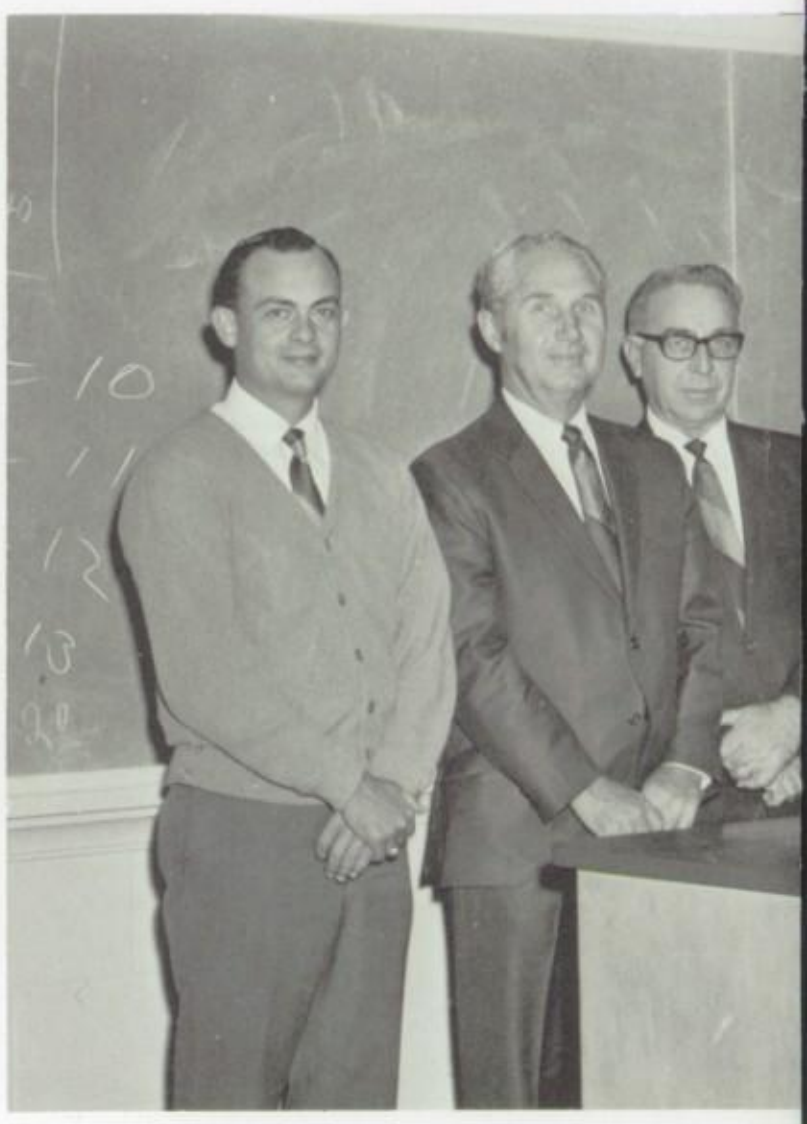
Mr. Castillo was Goliad High School's only foreign language teacher. He taught Spanish I and II.

Miss Corgey taught English I and Mrs. Carlisle taught both Sophomore and Junior English. Mr. Jaks had the other Junior classes. Mrs. Wilson had complete charge of Senior English and Journalism.

Math Offers to

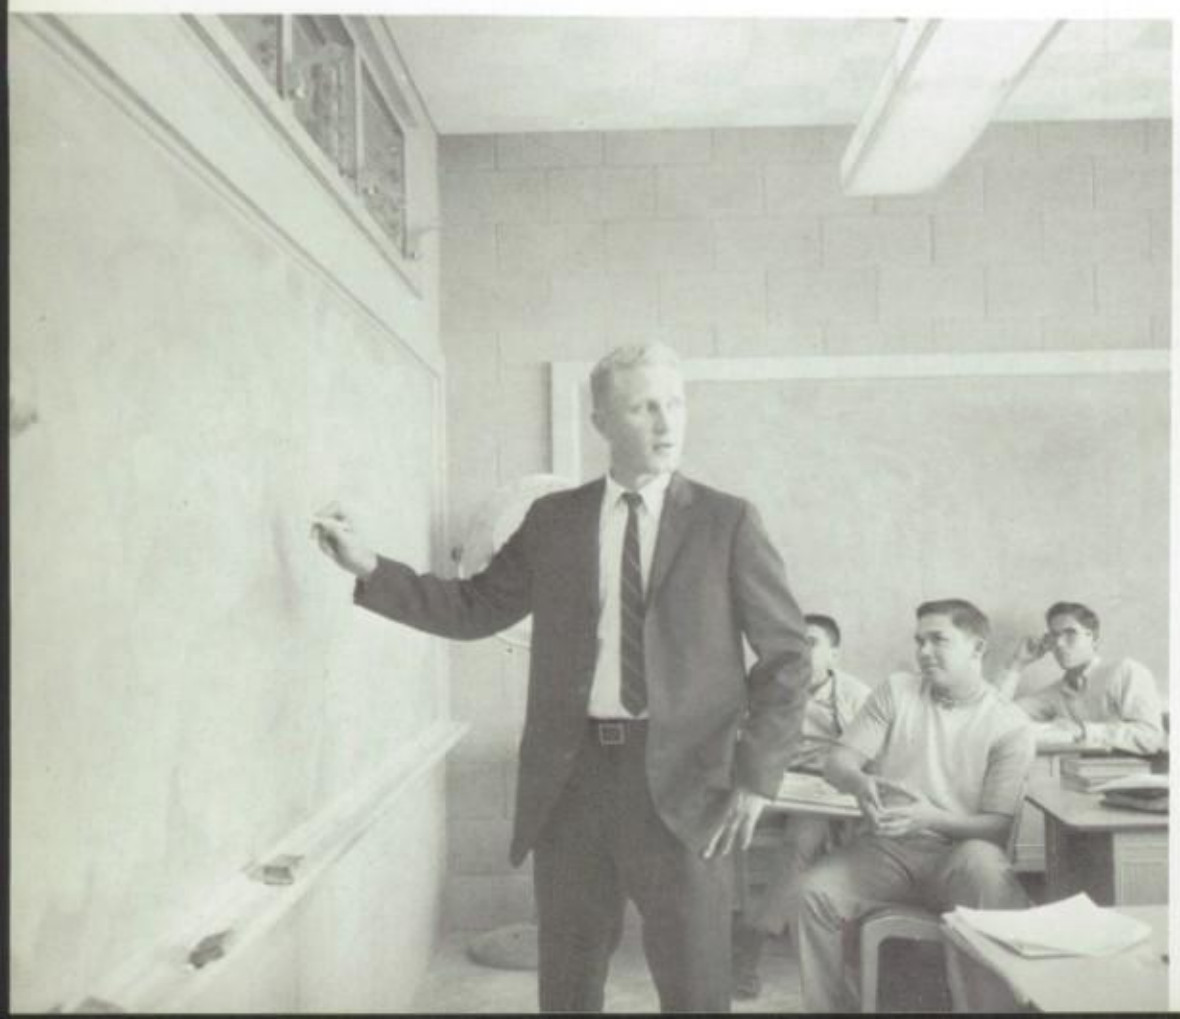
Alton Newberry shared the responsibility of seeing that our students were offered the advanced portion of the math phase.

Mr. Newberry's duties included teaching Algebra I, II and Trig. Mr. Newberry's classes were preparation classes for college bound students.



Mr. Speed, Mr. Gohlke, Mr. Hilbrich, Mr. Newberry, Mr. Bammert.

Mr. E. J. Bammert was responsible for teaching part of the related math offered at Goliad High School.



The Goliad High School Math Department has expanded its courses to meet the challenge of modern math. With our good facilities and excellently trained personnel our math department is noted as one of the best in our area.

The results of this department can be seen in the mathematics division of UIL. Goliad's entries in number sense have been quite successful.

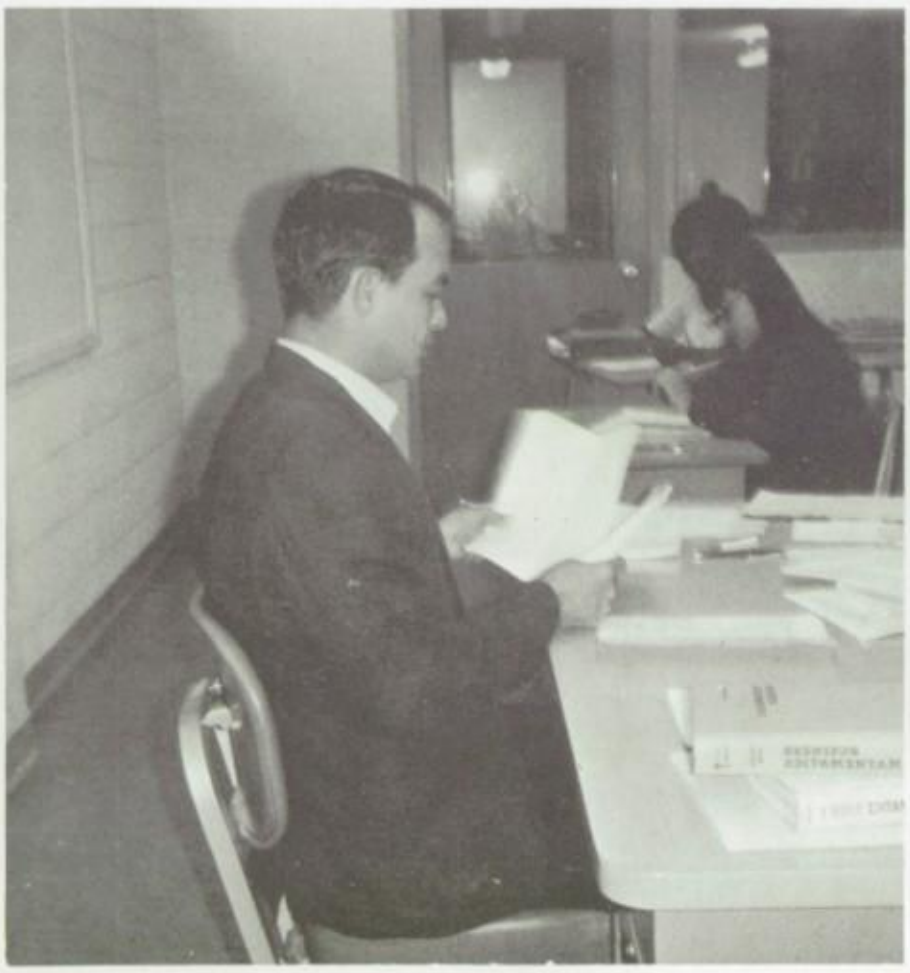
We enjoy an accelerated math program. There is a math course offered for every level of learning. This stems from related math to Trigonometry.

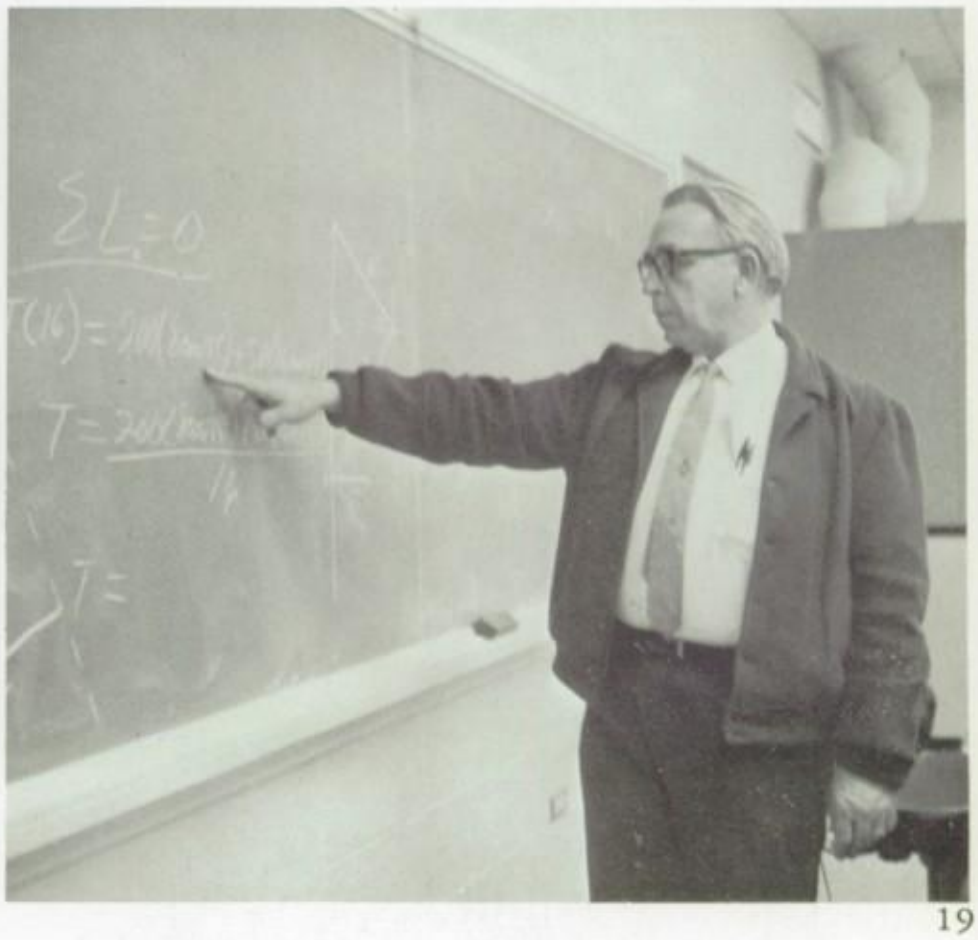
Challenges Students.

Mr. Lloyd Gohlke was head of the math department. Mr. Gohlke's primary concern was teaching his students how to reason by the use of Geometry.

Bottom Left: Mr. Ronald Speed shared the duties of teaching related math.

Bottom Right:Mr. A. P. Hilbrich had the job of teaching and laying a foundation with Algebra I.





Vocational Courses

Miss Caramae Simmons taught Commercial Art classes. She seems to be enjoying her work.

Mr. Thomas Cleveland was in charge of instructing Distributive Education and Vocational Education. He is shown here helping Ruby Waitschies with her assignment.

Auto-Mechanics was taught by Mr. John Lau. Mr. Lau is supervising some of his boys' work.

Mr. Stracener, Mr. Bego, Miss Simmons, Mr. Cleveland, Mrs. Bammert, Mr. Lau, and seated is Mrs. Jaks.

Mrs. Bobbie Bammert taught Homemaking I. She is telling her girls about the film they will see.

Taught Us Skills.

Mrs. Dinah Jaks, Head of the Homemaking Department, taught Homemaking II, III, and IV. Mrs. Jaks is trying to explain sewing to Mazie Lott.

Mr. Ralph Bego taught Special Education. His class learned many crafts as well as a good academic program.

Mr. Harry Stracener was in charge of the Vocational Agriculture Classes. He is shown taking movies of his prize students.

Athletics Emphasized

Coaches Newberry, Frnka, Payne, Speed, Lindsey, Castillo, and Bammert. These seven people helped to make our Athletic Department something we will always remember. We, as students, will never be able to thank them enough for all they have done. They enabled us to display good sportsmanship whether we won or lost.

Miss Shirley Frnka was Head Coach of the Girls' Basketball team. She taught girls P.E.

Mr. Ronald Speed served as Head of the Athletic Department. He was Varsity Football Coach.

at Goliad High.

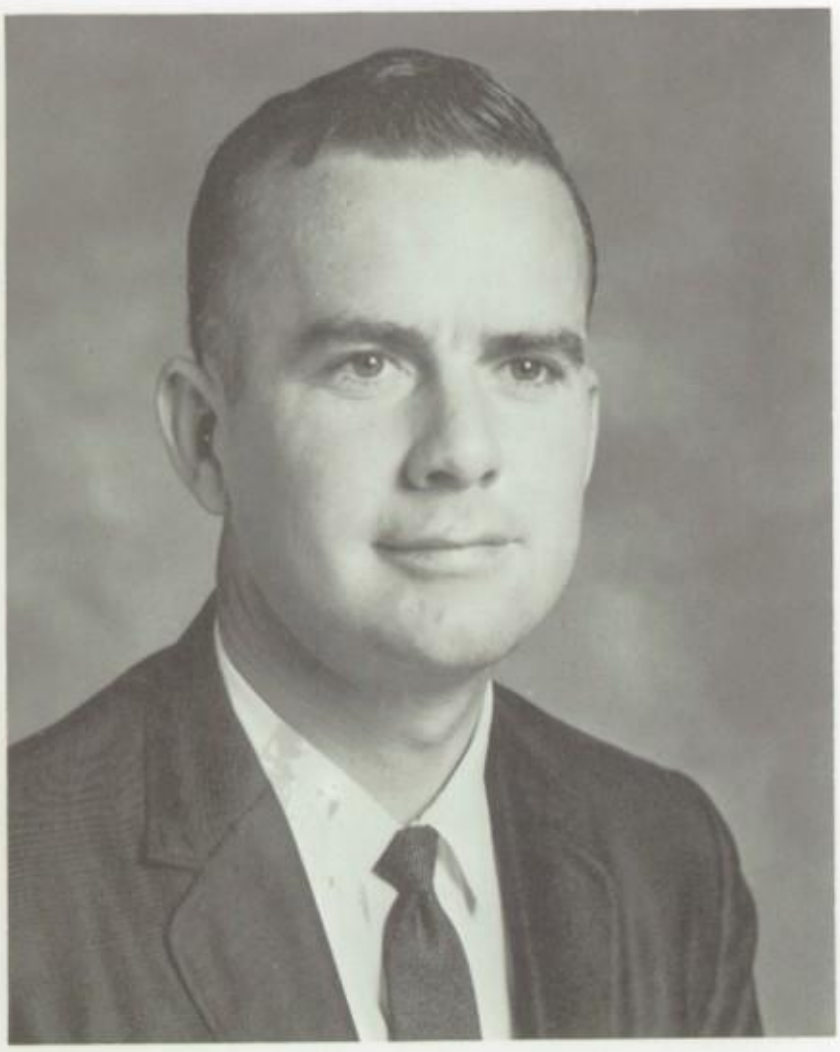
Mr. Carroll Lindsey assisted with Varsity Football. He was also Varsity Basketball Coach. Coach Lindsey taught Boys' P.E.

Mr. Alton Newberry was Track Coach. He also assisted with Varsity Football.

Mr. Thomas Payne was Assistant Varsity Football Coach. He was also Head Baseball Coach.

Mr. E. J. Bammert and Mr. Gilbert Castillo coached the Football "B" Team. Mr. Bammert was also "B" Team Basketball Coach. Mr. Castillo coached Tennis.

We Played,

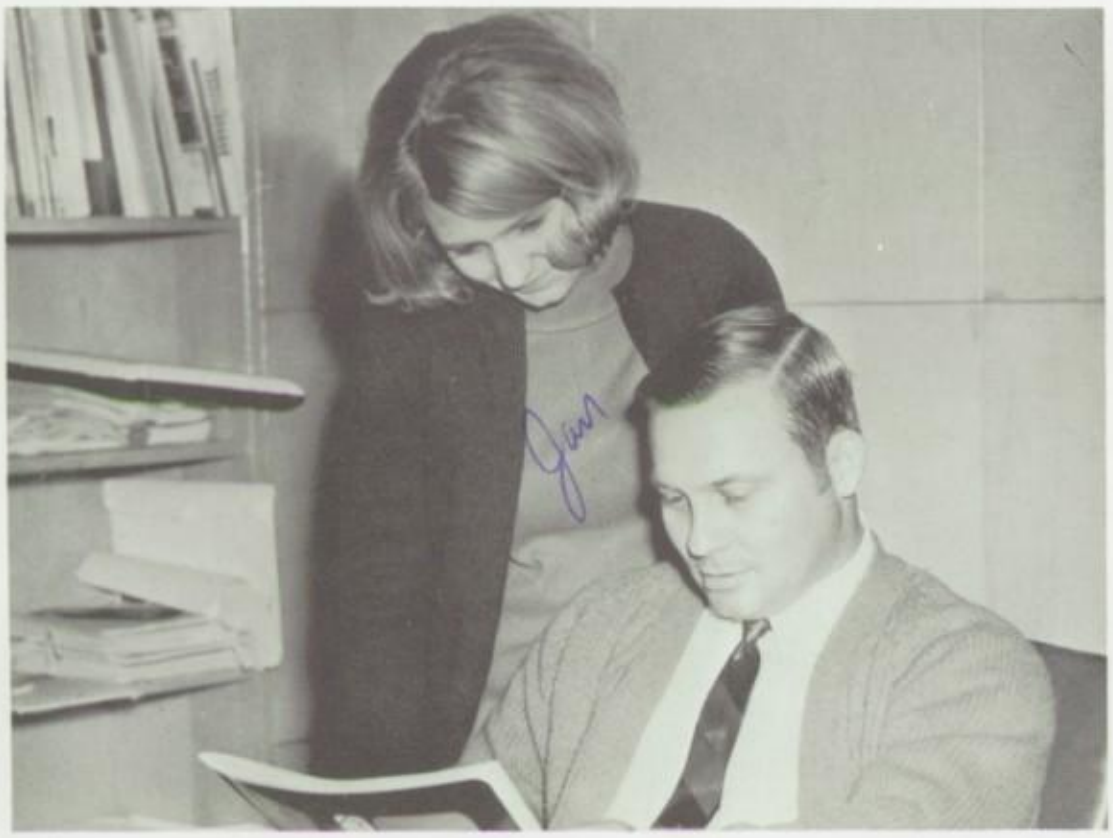


Mr. Hunter Cunningham, band director, is a very prominent figure at Goliad High School. Through his unfailing efforts our band has achieved great heights of success. With Mr. Cunningham's endless effort and long hours, the Goliad High School Band has established a notable reputation for itself.

This year Mr. Cunningham got to work early. The band started practice in August. With the help of Mr. Cunningham the band participated in many various events and placed well in almost all of them.

To Mr. Cunningham fell the task of preparing the band for football games, concerts, and contest. This man has done an excellent job.

Read, and Learned.



Mr. Jank is talking to Janice Najvar about her ACT Test scores.

Mr. Allen Jank began his first year as counselor. Mr. Jank gave all tests to the students and was free to talk to us whenever it was needed. He helped seniors register for their ACT and SAT tests for college admittance.

Mrs. Barbara Basham was school librarian. She has continually worked toward improving the conditions and content of our library. She was always ready to help students find books to read and informative sources for research.

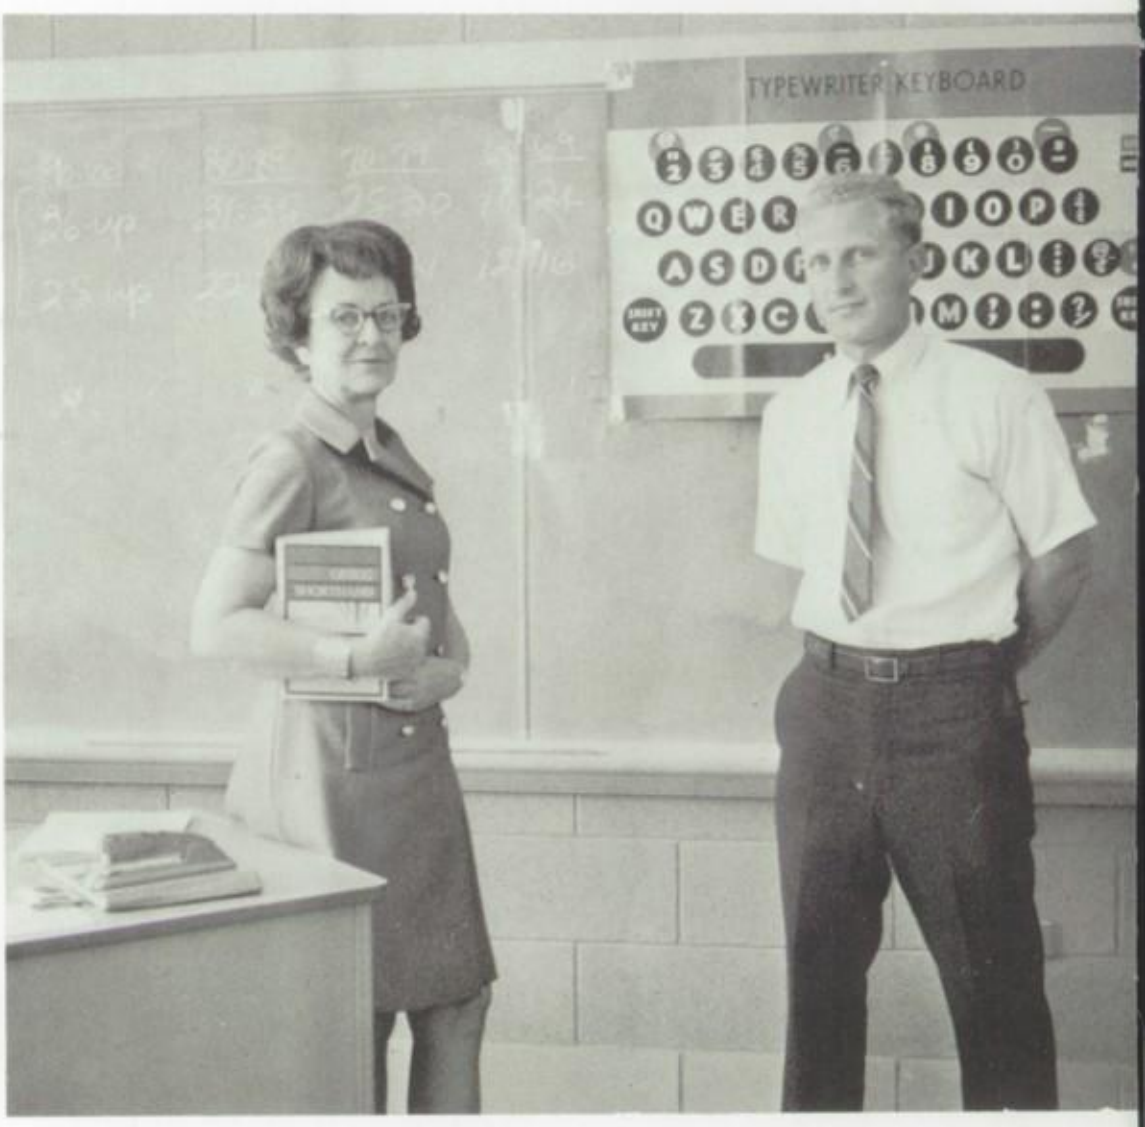
Pam Dye helped Mrs. Basham in the library during her off period.

Commercial Courses Offered at G.H.S.

Teaching the Commercial Courses at Goliad High School were Mrs. Beverly Burgess and Mr. E. J. Bammert.

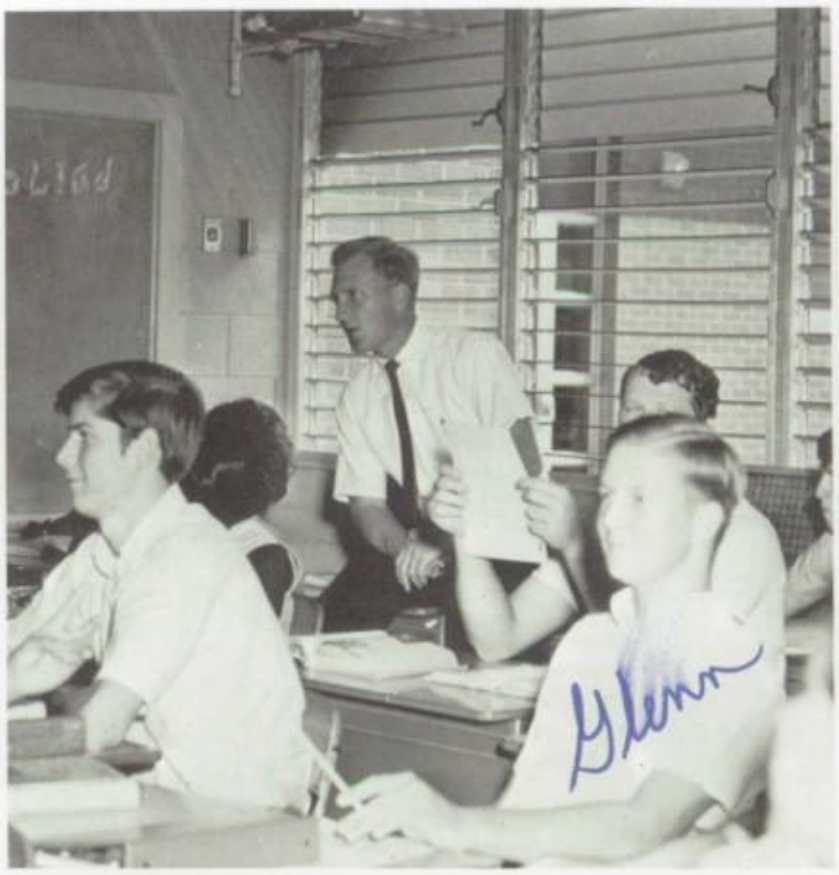
Mrs. Burgess taught all Typing I classes and had a class of Shorthand. She must have the patience of a saint to be able to cope with all those beginning typists.

Mr. E. J. Bammert taught Bookkeeping. After his students had mastered basic addition and subtraction, things went more smoothly. In the end, things balanced out quite well.



Mrs. Burgess and Mr. Bammert.

Mrs. Burgess is explaining a Shorthand lesson to Eva Nell Krueger, Carol Marr, and Kathy Moritz.



Mr. Bammert is trying to get something over to his students, but this seems a bit easier said than done.

Mr. James Young
Goliad High School Principal

Serving Goliad High School as principal was Mr. James Young. This was his first year in that position. We were very glad to have him as principal. Mr. Young had been counselor last year and was well liked by all students. It was nice to have someone who knew everyone and understood his feelings. He always found time to talk to the students about any problems they had. He treated all of us as adults and expected us to act in the same manner. Mr. Young has given this year's seniors a year we will always cherish, and given underclassmen something to look forward to in future years.

Mrs. Dorothy Lau was Mr. Young's secretary.

Mr. Norman Davis Fills Position of Superintendent at Goliad

Mr. Norman S. Davis has been superintendent at Goliad for the last eight years. Mr. Davis previously held the position of principal at both Sonora and Hillsboro High Schools and superintendent at Shiner.

Mr. Davis is very active in activities in the community as well as in the school.

He is a member of the Rotary Club, the Texas Association of School Administrators, the National Association of School Administrators, the Texas State Teachers Association, and the Masonic Lodge. Mr. Davis and his family are members of the First Methodist Church of Goliad.

Mr. Davis's secretaries were, Mrs. Pat Gunter (below), Mrs. Ruth Frank, and Delia Flores (pictured at the right).

Do. Mrs. Carlisle, the sweetest, nicest, but most of all wonderful teacher in the whole wide world. You the greatest person a friend could depend on. When someone had a problem, you were there to make us feel better. If it wouldn't have been for all those chances you gave me I probably wouldn't be passing English at least the last 3, 4 weeks. I will sure miss you but I'll remember all those wonderful days we had in class. I better stop now, though I didn't put every thing I was going to put. Best Wishes and God Luck to where ever you may go. May God Bless

P.S. Thanks for everything.

I first want to tell you that this year has been great. You have been a good teacher for me because you have let me think. I will always remember you, when my concrete world swallows me, I will think about you and remember to think about life, love, and mud more than today, tomorrow, and the world series. I will miss you when you leave but you will be present at all times because this year has made you a part of me

May luck be with you and you
